

Joint NBU-NBP 2021 Annual Research Conference

CALL FOR PAPERS

The Policy Toolkit for a World in Flux

10-11 June 2021, Hybrid Format

Paper Submission Deadline: Sunday 14 March 2021

Today's increasing complex economic and social challenges are reflected in the delicate balancing acts required to tackle structural issues of national scope against pressures from global factors. The 6th annual research conference jointly organized by the National Bank of Ukraine (NBU) and Narodowy Bank Polski (NBP) will focus on reviewing the effectiveness of traditional policy making strategies and tools and evaluation of possible alternatives in both monetary and fiscal areas.

The two-day event will feature keynotes, policy panels and presentations of research papers in a blended on-line/on-site format. Confirmed keynote speakers are **Alan Blinder (Princeton University)** and **Mikhail Golosov (University of Chicago)**.

The organizing committee invites submissions in the following areas (non-exhaustive)

- The effectiveness of monetary policy tools and strategies
- Interactions between macroprudential, monetary and fiscal policies

- Post-pandemic growth in the time of high indebtedness
- New questions or new policy objectives in need of dedicated tools?
- Climate change, inequality, and limits of the central bank mandate

Academic committee:

Yuriy Gorodnichenko, University of California, Berkeley (chair)

Oleksiy Kryvtsov, Bank of Canada

Michał Brzoza-Brzezina, Narodowy Bank Polski

Krzysztof Makarski, Narodowy Bank Polski

Solomiya Shpak, National Bank of Ukraine

Mihnea Constantinescu, National Bank of Ukraine
