

**The Twinning Project on Strengthening  
the institutional and regulatory capacity  
of the National Bank of Ukraine to implement  
the EU-Ukraine Association Agreement  
UA 19 ENI FI 01 19**

### **General Information about EU Twinning**

Twinning is a European Union instrument for institutional cooperation between public administrations of EU Member States and of beneficiary or partner countries. Twinning projects bring together public sector expertise from EU Member States and beneficiary countries with the aim of achieving concrete mandatory operational results through peer to peer activities.

### **The overall objective of the Twinning Project**

The overall objective of the Twinning Project is to contribute to the macroeconomic stability of Ukraine through institutional strengthening of the National Bank of Ukraine (NBU), and building a reliable banking and payments infrastructure for economic operators. The Twinning Project will indirectly aim to support NBU's capacity to actively participate in the EU-Ukraine association process.

## Partners involved in the Twinning Project

The consortium of Narodowy Bank Polski (as the lead partner) and Lietuvos bankas (as the junior partner) will implement the project supported by experts from the central banks of Greece, Hungary, the Netherlands, Portugal, Sweden and the European Central Bank. The beneficiary institution of the Twinning Project is NBU, as one of the key institutions in the Ukrainian public administration.
