<ul style="list-style-type: none"><li>• <b>Researchers gain new knowledge, practical skills, and contribute to decision making process in the NBU</b></li></ul>	<ul style="list-style-type: none"><li>• <b>Experience enables participants to improve their own research</b></li></ul>	<ul style="list-style-type: none"><li>• <b>Optimal duration for active research work</b></li></ul>	<ul style="list-style-type: none"><li>• <b>Joint research projects with NBU staff are welcome</b></li></ul>

# The goal is

---

NBU research priorities

**Monetary policy:**  
inflation targeting  
framework

**Financial Stability:**  
macro- and  
microprudential tools

**Macroeconomic  
Modeling and  
Forecasting:** structural  
and econometric models

to promote high quality research projects by engaging young researchers to cooperate with NBU's research staff and external contributors from academic institutions

NBU expects participants of the research internship program:

- to carry out own research in line with NBU's research priorities
- to publish an article outlining the results of the investigation in the "Visnyk of the NBU"
- to present the results of trainee research activity at internal and/or open research seminars
- to be engaged in active research process at the NBU
- to cooperate with NBU's research experts

## NBU provides:

---

Inspiring research environment that is closely related to policy-making

- Vast opportunity to learn from the experience of NBU's expert community
- Participation in research seminars, workshops and internal meetings related to research subject

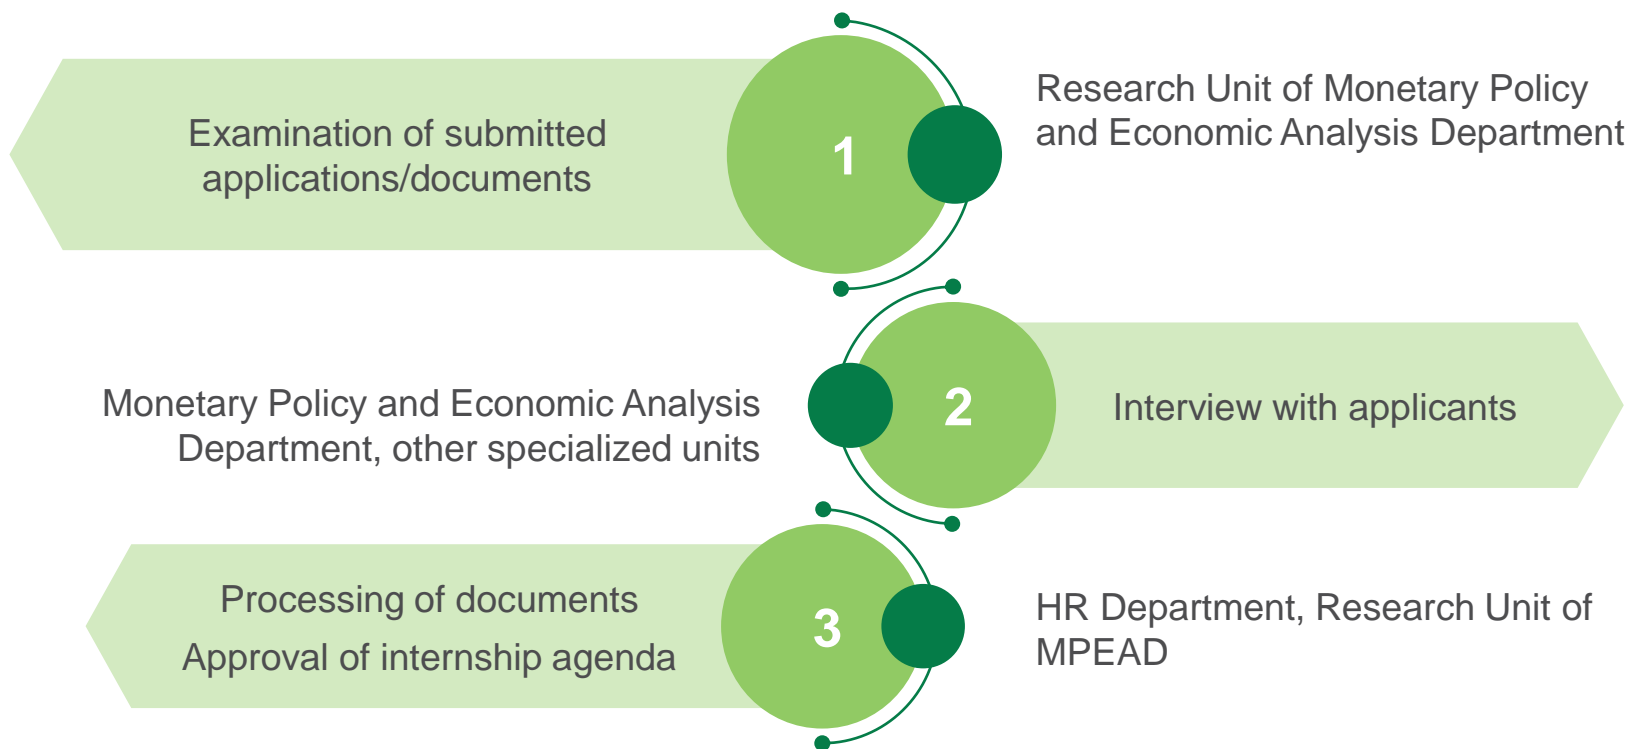

Technical support

- Comfortable work space
- Access to data

Administrative support

- Nonresident interns will get free lodging in NBU's study center
- Reimbursement of the expenses on railway tickets

# Selection process of internship candidates

Internship applications are accepted regularly but the number of participants is confined by the needs of the NBU

# Documents for application

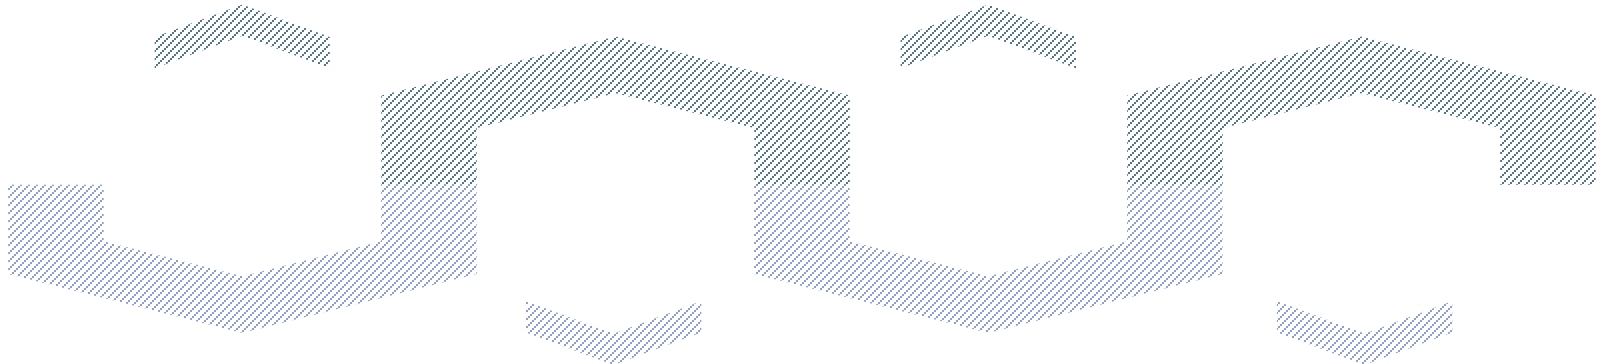

---

## Motivation Letter

Internship expectations and work schedule

## Research Proposal

Objectives, data and methodology, expected results and contribution

## Personal information

Extended CV, research records

## Recommendation Letter

from research / other external experts

The set of application documents should be marked as «Internship at research unit» and be submitted to **Research@bank.gov.ua**

# Application Requirements

---
